The Edgewater Lodge is just a stone's throw from Whistler village but feels as though it is in a world all of its own. Located on the shores of Green Lake, Whistler's only private estate sits on 45 acres of the most beautiful old growth forest. Surrounded by lush gardens, an emerald lake and magnificent mountain views, the rustic Lodge is perfect for a rehearsal dinner, wedding ceremony, dinner & reception, honeymoon or anniversary celebration.

The Lodge:

We have 12 rooms overlooking Green Lake and the mountains beyond. Five of the rooms are studios with a king size bed (or two twin beds), a pullout single bed, and ensuite bathroom, able to accommodate up to 3 people. Six rooms have an additional separate living space with a pullout queen size bed and private balcony, and are able to accommodate up to 5 people. We have one accessible room with a king size bed that can fit 2 people.

An enhanced continental breakfast is included in your room rate and includes fresh fruit salad, yoghurt and our own homemade granola, as well as fresh croissants, breads and baked goods, cold cereals, a variety of juices and of course, tea and coffee.

Amenities include an outdoor lakeside hot tub, a fully licensed dining room, video library, and free parking.

The Activities:

Activities depend on the time of year and can include canoeing, kayaking, horseback riding, fishing, whitewater rafting, mountain biking, horse drawn sleigh rides, snowshoeing, skating, and of course downhill and cross country skiing. Meadow Park, a top recreational facility, is less than one kilometer from the lodge, and the busy village, only a 5-minute drive from the Edgewater, has loads of top shops and restaurants.

We are happy to customize any accommodation, dinner and/or activity package to suit your needs. Feel free to visit our website, or give us a call to set up a meeting regarding your special day!

The Wedding:

The Ceremony

In the 2008 summer season alone, we hosted over forty weddings. The Ceremony usually takes place mid-afternoon outdoors on the lush green grass or on the lakeside patio where guests are awestruck by the inspiring views and the symphony of flowers that surround the intimate ceremony. If the weather doesn't cooperate, Edgewater's post and beam dining room with its 26-foot cathedral ceiling and huge windows on every wall will ensure the best experience imaginable.
